Attractions

- Indoor Courts

One of the premier attractions of The Mark is their [three indoor sports courts](#). Shoot some hoops, spike a few volleyballs, or host an event on these new, indoor courts. Each court is equipped with a top-line scoring system to make your games official.

Depending on your party's size, those interested can rent one, two, or all three of the courts at a time. Similarly, reduced rental prices are also available if you only require a half-court.

- Volleyball Leagues

In addition to the three indoor courts, The Mark has nine full-sized outdoor sand courts. During the Spring, Summer, and Fall, you and your friends can team up and take on other Nebraskans in one of [The Mark's volleyball leagues](#). These leagues play Sunday through Friday with multiple time slots, so there's sure to be a league that fits your schedule.

Like sand volleyball, The Mark offers an indoor volleyball league in winter. If you're interested in even more competitive play, The Mark hosts several volleyball tournaments throughout the year. You can learn more about these tournaments [here](#).
